- **TARGET MEETS** – A targeted meet is one that the coaches recommend all eligible swimmers to attend.
- **RACE NIGHTS (OFFICIAL)** – Race Nights will return to Ravenswood Aquatic Facility with our new timing system. All members are encouraged to attend to gain race practice and achieve official times to then use to enter either development or championship meets.
- **CHAMPIONSHIP MEETS** – Championship meets vary in level or ability; however, all require prior qualification through achieving the qualifying time standards. These time standards are published, and your child's coach will be able to supply them to assist you with entering these meets.
- **ADDITIONAL MEETS** – Throughout the season additional meets may be identified and valuable to the swimmers and communication will be provided to all members and the classification of the meet.
